21 EXPLANATION

22 The inclusion of this explanation does not constitute agreement with
23 the explanation's substance by the members of the general assembly.

24 This bill relates to service charges on consumer credit
25 transactions.

26 Current law authorizes a creditor to contract for and
27 receive a service charge in an amount not to exceed the
28 lesser of 10 percent of the amount financed or \$30 for an
29 interest-bearing consumer credit transaction. Additionally,
30 current law prohibits a creditor from collecting a minimum
31 charge upon prepayment of a consumer credit transaction if the
32 creditor collected a service charge in association with an
33 interest-bearing consumer credit transaction. The bill strikes
34 from both of these provisions the requirement that the consumer
35 credit transaction bear interest.
